

COVID 19 UPDATE

Location: SHOW YOUR BUMP WIGAN

Date: 01-03-2022

Time: 10:00am

COVID 19 INFORMATION

Attending your scan at SHOWYOUR BUMP

Update for attending your scan with us in the clinic. Show Your Bump are committed to keeping all Service users and employees safe.

The government highlight's those pregnant women are in the moderate risk category (clinically vulnerable) group as a precaution due to this being a new virus.

It is important to stop the spread of the virus throughout pregnancy especially during the third trimester. If you require any more information regarding Covid 19 please visit WWW.GOV.UK

As some women are unable to receive the vaccine the following measures are STILL in place at Show Your Bump.

- It is advised a face covering is worn at all times during your visit with us we will provide in the clinic
- You must NOT enter the premises if displaying symptoms or tested positive
- Wash your hands regularly with soap and water, sanitize with the dispensers provided
- Up to five guests can attend the scan including yourself and any dependent children
